Step 2: Reason for Financial Aid Suspension

Please check all that apply. I am completing an appeal by answering all of the questions on this form in detail, and I am including supporting documentation for reinstatement of financial aid. I would like to appeal my financial aid suspension because:

I currently have a cumulative grade point average (GPA) below the minimum standards
I have failed to meet the required 67 percent course completion rate
I have exceeded the maximum number of credit hours limit

Step 3: Appeal Information

Please indicate below which situation(s) best applies to the academic difficulty you experienced. In addition, ALL appeals must be submitted with a personal statement and supporting documentation. Examples of acceptable documentation are listed in the following chart. The documentation should be attached to the appeal at the time the appeal is submitted.

(D) How did this affect your academic performance? and, (E) What steps were taken to ensure that the minimum standards will be met in the future. Be as detailed as possible.

2. List the documents below that you have attached to support your appeal for reinstatement. Please explain how each relates to or supports the circumstance(s) discussed in question #1.

**Step 4: Academic Plan**

In order for an appeal to be considered, students must meet with an academic advisor to (1) ensure they are able to mathematically meet the Satisfactory Academic Progress standards at the end of the next regular semester and (2) to complete an Academic Plan Form that will provide the student with an academic plan which places them back on track to meeting SAP at the end of a stated period of time. The student should report to his academic college to have the Academic Plan Form completed prior to submitting the appeal form to the Office of Financial Aid.
