

FAQ's

1. What does the admission committee look for in an ideal candidate?
 - a. **A well-rounded individual whose values and world view are consistent with the program's mission.**
2. What makes an overall competitive application in your opinion?
 - a. **All applicants who meet all of the admission requirements are reviewed. The biggest limiting factor is our class size.**
3. Are virtual meetings with a PT Faculty member available during this time for prospect students?
 - a. **Available upon request. We also have Student Ambassadors who are well-trained to answer any question that a prospective applicant may have.**
4. Will I be able to receive advice on how I can become a better qualified applicant for the DPT Program?
 - a. **The Admission Committee does not provide advice to applicants. Our requirements are posted our website and on PTCAS. The student and his/her undergraduate advisor are the best references to assure that they have met all program requirements.**
5. Are there any virtual PT open houses scheduled? And are prospect students allowed to attend?
 - a. **There is an Annual Open house on the first Friday of every October – PT Month. Please email physicaltherapy@famuedu and provide your contact**

information and an invitation will be sent. You can also use this email address to request a personal tour by a Student Ambassadors at a time that is convenient.

6. A variety of settings are required/recommended for acceptance into the program, due to the pandemic will candidates be denied due to the lack of variety in settings?

a. No. We will also accept observation hours earned via tele-health.

7. Is the lecture style for your program Problem based Learning or Traditional?

a. Traditional

8. Regarding the GRE, is it only the best overall score, or is there a "super-score" of the best score per section?

a. We use the super-score method i.e. the highest score.

9. What is the DPT tuition?

Annual Tuition and Fees are determined by the state

<http://www.famu.edu/StudentAccounts/Fee%20Schedule%20Effective%20Fall%202018.pdf>

In-state student tuition (103 credits)	\$41,784.01
Out-of state student tuition (103 credits)	\$105,270.12

Please note that the additional costs of supplies, resources and living expenses for individual students will vary.
